Date of Decision: 11-30-09

STATEMENT OF FACTS: The applicant, Jeff Jinnett, requests a conditional use to allow for existing outdoor activity (musical entertainment) at the Marble Brewery outdoor patio in an SU-2/C zone. Ryan Staudhammer, agent for the applicant, testified if approved they will have live music outdoors on their bandstand. Days and hours of such activity will be Thursday through Saturday from 8:00 p.m. to 11:30 p.m. He indicated that there is sufficient off-street parking. They will comply with all lighting and noise ordinances. Mr. Staudhammer was advised that if this request were approved that a condition would be placed on the approval stating that if this business were to be sold; the approval would not apply to any new owners. There are several letters of support noted in the file. The yellow sign was posted. There was no opposition to this request at the hearing, nor is there any opposition noted in the file.

Based on all of the testimony and a review of the entire file, it is determined there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this request complies with Section 14. 16. 4. 2. (C). 1., for the granting of a conditional use upon a finding that the proposed use will not cause injury to the neighborhood, adjacent property or the community, nor will it be damaged by surrounding structures. For reasons stated above, this request is approved.

DECISION: Approved with conditions.

CONDITION:

1. This approval will be immediately vacated if this business is sold.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
