**A few points for the meeting.**

1. You can access the webinar via phone or via computer or tablet using the code you receive with your confirmation email upon registering. The device you use for registration is the only one that can be used for meeting attendance (the code only works there).
2. Due to this being a "Webinar" your face will not be shown during the session only the featured guests and the panelists will be visible to all.
3. All attendees will be "Muted" upon entry and may be unmuted to speak, if necessary, but all questions will be submitted via the Chat where you can type in your questions.
4. You may change your name if you so choose upon entry if there is any concern for privacy.
5. You must register to join the webinar, or you will not be able to access the meeting.

*RULES OF PARTICIPATION: In the interest of the well-being of our community during these meetings, our participation requires sound civility, respect, and active interest to work within the realm of ethics. Given this, we ask participants to consider their conduct and behavior as follows:*
