RECOMMENDATION (One (1) recommendation per submission.
Recommendation/Reasoning must be 500 words or less for submission):

Recommendation from Foothills Community Policing Council to Albuquerque PD
October 27, 2023

**Regarding: Fostering Communication between the APD Ambassador program,
and the Community Policing Councils**

Issue:

The CPCs not unlike other city entities would like to increase its outreach, and come up with new opportunities to let the city know about its projects and goals. One of the CPC goals is to increase Council diversity in a variety of ways such as age, race, sex, sexuality, and socio-economic status. The APD Ambassador program was created to reach out to different groups in order to foster ties with underserved groups, and groups which may not have a voice with APD as well.

The Recommendation:

That the Police department find a way to let the CPCs know when they are going to send the Ambassador officers to do outreach, so that CPC would have the opportunity to come along and meet divergent city residents. Obviously, we could not make every event, but we feel just having a chance to come along and meet people and show them that the City is already integrated with its citizens, could make a difference.

We feel that it is a win-win for APD and for the CPCs.
