APD Updates from Chief Medina**

**Presenters: Deputy Chief Corey Lowe, Accountability and Analytics Bureau
Sergeant Charmaine Carter, Compliance and Oversight Division**

Chief Medina

The discussions will focus on the following issues:

The back and forth between the monitor and APD in this and IMR 14 regarding training mention that "other divisions" besides the training academy within APD should be presenting training curricula but are not. I have three questions about this.

*1. What are these divisions (examples?), and does it include training curricula which the 6 Area Commanders should be presenting but are not?

*2. How does this affect Operational tactics?

*3. How is APD managing disciplinary issues for which there is Policy, but yet incomplete field training? It seems unfair to expose field officers to discipline without compliant operational training.

7:15-8:00

Area Command reports and community issues and concerns.

Next Meeting: June 23, Topic TBD

The mission of the Valley Area Command Community Policing Council (CPC) is to promote and maintain inclusive, respectful, supportive, and cooperative interactions between diverse members of the community and the Albuquerque Police Department (APD) to ensure necessary reforms are met and sustained.
