

Jeanne Bellamah Community Center

In February of 2014, Councilor Don Harris welcomed neighbors and City officials at the Grand Re-Opening of Jeanne Bellamah Community Center in the historic Princess Jeanne Neighborhood. The Jeanne Bellamah Community Center now features a computer lab, new game room, and a 1,200 square foot gym and workout room. All are open to the public.

Councilor Harris also helped the center install two brass plaques in honor of Dale and Jeanne Bellamah at the center on August 5th, 2014.
