Fiscal Year 2011 incorporate wage decreases for all City employees according to the following schedule:

<u>Employee Base Salary</u>	<u>Proposed Pay Cut</u>	<u>Unpaid Holidays</u>	<u>Effective Cut</u>
\$0 to \$30,000	No cut	None	0.00%
\$30,001 to \$60,000	1.5% pay cut	2	2.27%
\$60,001 to \$75,000	1.5% pay cut	4	3.04%

\$100,001 and up	1.5% pay cut	6	3.81%

It is the intent of the City Council that these wage decreases, including unpaid holidays, shall remain in effect and recur annually until such time as the City's revenues and expenditures shall allow some or all of these cuts to be restored to City employees. It is the expectation of the City Council that recurring revenues and recurring operational expenses in the General Fund will be reexamined on a quarterly basis in order to determine if the City's financial situation has improved to the point where some or all of these wage decreases may be restored.

It is further the intent of the City Council that, to the extent possible, the wage decreases for public safety employees be realized solely through unpaid holidays either through contract negotiations or a memorandum of understanding with the respective unions. The City Council understands that under the City's Labor-Management Relations Act the final form of these wage decreases shall be determined solely through the collective bargaining process or a memorandum of understanding, and nothing in this bill is intended to interfere with the normal course of those processes.

It is the intent of the Council that the Mayor and City Councilors shall receive a 5% pay decrease.
