COMMITTEE AMENDMENT NO. 1 TO O-24-3

AMENDMENT SPONSORED BY COUNCILOR Joaquín Baca, Klarissa J. Peña

1. On page 2, line 18, revise Section 1 as follows:

Section 1: That the Central Avenue Bridge Site be designated a City Landmark[, as shown in Exhibit A.]

2. Add the attached Exhibit A to the bill (see next page)
3. On page 2, line 27, delete Section 3 and renumber accordingly:

~~[SECTION 3: COMPILATION. This ordinance shall not be incorporated in and made part of the Revised Ordinances of Albuquerque, New Mexico, 1994.]~~

Explanation: This amendment adds an Exhibit A to the bill to illustrate where the Central Avenue Bridge crossing site is located. This amendment also strikes the compilation clause. Landmarking ordinances are compiled via the Official Zoning Map. It is not necessary to say that ordinance “shall not be incorporated”. The ordinance is incorporated, via the official zoning map, rather than the Code of Ordinances.
