ALBUQUERQUE FIRE RESCUE

MONTHLY INFORMATIONAL REPORT

MAY - JUNE 2018

SIGNIFICANT EVENTS

- **5/6** - Mobile home fire 11000 block of Gibson SE in fire district 8.
- **5/9** - Abandoned residential fire near Garfield and Edith SE in fire district 2.
- **5/15** - Wildland fire threatening homes on 13000 block of Elena Gallegos NE in fire district 16.
- **5/16** - Mountain rescue on 2000 block of Camino De La Sierra NE in fire district 16.
- **5/21** - Residential structure fire on 4000 block Comanche NE in fire district 19, two patients with injuries.
- **5/21** - Residential structure fire 1500 block of Espejo NE in fire district 9 defensive fire.
- **5/22** - Abandoned residential structure fire on 100 block of Aztec NW in fire district 6.
- **5/27** - Abandoned multiple mobile home fires on 9500 block of Central NW in fire district 14.
- **5/31** - Residential structure fire on 6000 block of Bent Tree Dr NW in fire district 17, one patient rescued with injuries.

Albuquerque Fire Department is now officially Albuquerque Fire Rescue! This name change helps emphasize that we are more than just a fire department. Mayor Keller and Fire Chief Paul Dow announce the name change during a press conference at fire station 2.

Crews worked alongside BCFR near Osuna and Chappell NE to watch for victims of a flash flood. Four victims were rescued earlier at another location by other fire crews.

Carmen Martizez-Tittman working the men and women of AFR 90th cadet class on stretching and stress reduction techniques that are crucial to physical and mental wellbeing in their career as firefighters.

DIVISION UPDATES

ALARM ROOM / TECHNICAL SERVICES

Communications Division reported a total of 17,206 calls for May 2018. 7,641 were categorized as emergency and 9,565 as non-emergency. AFR has seen an increase in over 2,000 calls this quarter as compared to 2017. Alarm Room dispatchers received training CEs this month and hosted MD Residents to observe the dispatch center. **Technical Services** reported problems with significant event emails caused by

changes to the servers at City Hall but have since been resolved. City IT will be adding a fireworks complaint option to the reporting portion of the 311 App.

FIRE MARSHAL'S OFFICE / ARSON / PUBLIC AFFAIRS OFFICE

FMO reported 566 inspections and 187 re-inspections for May. Fire safety training reached 1310 children and 1810 adults this month. **PIO** division is currently working on developing a short name rebranding video to be released on social media that also

emphasizes the variety of calls AFR responds to. The current cabq.gov/fire website is also being updated and more regularly maintained.

FLEET MANAGEMENT / LOGISTICS / CAPITAL IMPROVEMENT

Fleet reported total in-house and vendor maintenance costs this month were \$60,171.00 and total fuel costs for all vehicles were \$27,106.00. Ladder 21 is back in service after having been out of service for a month and a spare ladder was assigned during that time. **Logistics** reported 142 sets of turnout gear was washed and inspected as well as 40 sets cleaned after cadets conducted live burn training. 42 repairs were made on turnout jackets and trousers this month at a cost of \$5,040.00. New soap and hand sanitizing dispensers have been installed

at most AFR facilities and will be completed by June. **Capital Improvement** had 132 requests for service for May. A second temporary employee was hired to fill a vacancy in the full time crew. Interstitial space projects ongoing and on schedule. A building management software will soon be implemented to better track the costs and status of AFR facilities.

TRAINING / EMS / HAZ-MAT / WILDLAND / HTR

AFR Academy lent its facility to APD for Swat training and Safer NM. The second block of annual EMS refresher has begun and will extend into July. **Wildland Division** has been busy this year with multiple Bosque fires and a significant brush fire near Elena Gallegos that threatened several homes but was successfully mitigated with minimal damage. Lt. Brian Fox has offered three classes to assist AFR Battalion Chiefs with incident command on wildland fires. Lt. Fox has also met with various neighborhood associations regarding how to create a defensible space between their home and open space. The **EMS** division celebrated EMS week May 21 - May 25 with a variety of daily events throughout the City including handing out safety brochures to schools and senior centers, participation in the Bernalillo County Mental Health Fair, Councilor Cynthia Borrego presented TIC cameras to three of our rescues, teaching Hands Only CPR and Stop the Bleed classes, and distributing Vial of Life packets to seniors with the help of Councilor Trudy Jones at Bear Canyon Senior Center.

Albuquerque Fire Rescue started our annual Hydrant Inspection program on May 15, 2018. AFR will check close to 16,000 fire hydrants within the City of Albuquerque to ensure that they are in proper working order. All hydrants will be entered into a data base that is managed by ABCWUA, all

Fire Chief Paul Dow addresses the current weather trends and fire danger in the Albuquerque Metro open space.

service requests will be handled by ABCWUA.

HTR crew successfully extricated a trapped victim in this rollover MVA.

ALBUQUERQUE FIRE RESCUE

MONTHLY DISTRICT INFORMATIONAL REPORT

MAY - JUNE 2018

PRESIDENT KEN SANCHEZ
CITY COUNCIL DISTRICT 1

FIRE STATIONS IN YOUR DISTRICT

AFR STATION 7

- Rescue 7 hosted a ride-a-long for a civilian.
- Station 7 hosted a tour for 40 children.
- Engine 7 was on standby for a pyrotechnics display at Isleta Amphitheater.
- Station 7 hosted a Safer NM Car Seat Clinic.
- Station 7 training this month included water flow application, multiple protocol and drug dose training,

Wildland Urban Interface, and pre incident planning at a location that coincidentally had a fire later that day so the crews were already prepared to manage the scene more efficiently.

- Station 7 was initial attack on a Bosque fire this month and also supplied water to station 14 crews to help extinguish four abandoned mobile homes, two were saved.

AFR STATION 17 / BC 4

- Engine 17 presented the truck for a show and tell at Presidio Park for a group of children and hosted a station tour for a 5 year old. Engine 17 also attended the Ditches are Deadly Swim Pass Kick Off at West Mesa Aquatic Center.
- Engine 17 responded to a 75 year old female who initially called 911 for trouble breathing. On arrival, crews identified a structure fire and the victim was trapped under the bed and is wheelchair bound. Engine 17 rescued

the victim and AAS transported her to UNMH with moderate burns but she is expected to make a full recovery.

- Rescue and Engine 17 assisted a suicidal male off the overpass at Coors and I-40.
- Engine 17 responded with B4 and Rescue 22 for an overturned single engine aircraft at Double Eagle Airport, not injuries were reported.

AFR STATION 18

- Station 18 provided several unscheduled tours to children and local citizens.
- Station 18 responded to a victim with a gunshot wound to the abdomen and assisted with treatment and transport where he expected to make a full recovery.

- As hydrant testing continues this month, station 18 identified two areas with no fire hydrant access and are training on water shuttle/drafting applications in the event of a fire.

ALBUQUERQUE FIRE RESCUE

MONTHLY DISTRICT INFORMATIONAL REPORT

MAY - JUNE 2018

ISAAC BENTON

FIRE STATIONS IN YOUR DISTRICT

AFR STATION 1

- Ladder 1 and BCFD Ladder Truck 38 displayed the American Flag at Civic Plaza for a law enforcement memorial as well as another event later in the month at Isotopes Stadium.
- Wildland Open Space patrols have begun.
- Engine 1 was on standby for a fireworks show at Isotopes Stadium.

AFR STATION 2

- Engine 2 presented the truck for a show and tell at Dennis Chavez Community Center.
- Station 2 rescued two occupants from a motor vehicle accident involving using extrication tools. The patients were safely and quickly transported to a nearby hospital.
- Station 2 hosted a press conference to announce the new department name Albuquerque Fire Rescue as this station and apparatus are the first to be physically changed.
- Engine 2 displayed the truck at an Isotopes baseball game.

AFR STATION 4 / BC 1

- Station 4 attended the 2nd Annual Behind the Badge fundraiser.
- Station 4 was one of several stations involved in a swift water rescue where 4 victims were successfully removed from a major water channel with one fatality.
- Station 4 participated in flood control arroyo training with the current AFR Cadet Class and a Haz-Mat exercise with the USPS .

AFR STATION 6

- Engine 6 was on standby for a fireworks show at Isotopes Stadium.
- Engine 6 crew discussed the importance of being physically fit as a firefighter to kids at the Los Puentes Charter School Health and Fitness Fair.
- Engine 6 visited the North Valley Academy Charter School for a show and tell and to speak about fire safety including using the new station tour bags with safe, clean turnout gear for kids to try on.

AFR STATION 10

- Engine 10 provided EMS standby at the COA Annual Senior Volunteer Breakfast.
- Brush 10 has begun the seasonal Bosque patrols. These are four hour shifts every day and are in conjunction with the other Wildland apparatus within AFR, BCFD, and APD Open Space.
- Engine 10 met with State Park Superintendent Heather MacCurdy at the Rio Grande Nature Center to discuss and plan emergency response for possible fire incidents in the Bosque.

MAY - JUNE 2018

BRAD WINTER

FIRE STATIONS IN YOUR DISTRICT

AFR STATION 15

- Ladder 15 presented the truck at Mission Ave Elementary School to discuss fire safety and help with the Science Fair Egg Drop.
- Station 15 hosted a station tour for 20 kids ages 4-8 years old.
- Station 15 participated in swift water training with arroyo rescues this month.

AFR STATION 20 / BC 3

- Station 20 hosted a station tour for 12 kids as well as a Safer NM Car Seat Clinic.
- Station 20 reported using the Lucas device on a cardiac arrest patient this month.

ALBUQUERQUE FIRE RESCUE

MONTHLY DISTRICT INFORMATIONAL REPORT

MAY - JUNE 2018

CYNTHIA BORREGO

FIRE STATIONS IN YOUR DISTRICT

AFR STATION 21

- Ladder 21 participated in James Monroe Middle School for the Egg Drop Science Project.
- Ladder 21 along with BCFD Ladder 36 hung the American Flag for Military and First Responder Day at Cottonwood Mall.
- Station 21 hosted a press conference with city officials to discuss new TIC cameras for rescues 18, 21, and 22 purchased by Councilor Cynthia Borrego.
- Station 21 responded to a 23 year old female complaining of an anxiety attack but after assessing her, an arrhythmia known as PSVT with a heartrate of 220 bpm was found and she was treated with

adenosine and transported.

- Training this month for station 21 included protocol and drug dose/administration, mitigation of abandoned waste oil incidents, and Wildland Urban Interface.

AFR STATION 22

- Station 22 hosted a large tour for 25 children. Crews also presented the trucks for a show and tell at Albuquerque First Baptist Church and Faith Kids Pre-school.
- Rescue 22 responded with B4 and Engine 17 for an overturned single engine aircraft at Double Eagle Airport, not injuries were reported.
- Rescue and Engine 22 responded to a cardiac arrest patient. An AAS supervisor was able to lend the crews a Lucas device to assist in CPR. Unfortunately the patient did not survive despite top notch care from the crews.

- Station 22 responded to a motorcyclist with open leg fractures and quickly treated and transported the patient.
- Training this month for station 21 included protocol and drug dose/administration, mitigation of abandoned waste oil incidents, and Wildland Urban Interface.
