You asked, we listened. You now have more choices than ever before for your health insurance. Starting July 1, 2024, the City will no longer be contracted with Presbyterian Health Plan. United Healthcare and Blue Cross/Blue Shield are our new providers, offering more options to get you the best coverage possible. Your card will change, but the same great coverage is here to stay.

What does this mean for you? Each employee will need to log into the Employee Self Service and select a new health care administrator. We encourage you to attend an open enrollment meeting to learn about your options. Be sure to make your choice during open enrollment May 6 - 24, 2024.
