

# TWO-STAGE BIKE BOX

A two-stage bike box has been added to the intersection of Dr. Martin Luther King Jr. Ave. and Broadway Blvd. to aid bicyclists in making a left hand turn.

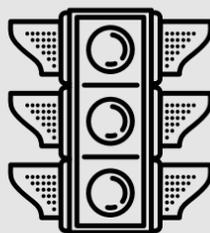

## WHAT WILL YOU SEE?

Bicyclists headed westbound on Dr. Martin Luther King Jr. Ave. will notice a green box as they cross Broadway Blvd.

## HOW BICYCLISTS SHOULD USE A TWO STAGE BIKE BOX

- 1 When traffic signal is green, proceed from the westbound Dr. Martin Luther King Jr. Ave bike lane through the intersection to the green bike box. Face your bike southbound and wait for the signal indication in front of you to turn green.

- 2 Ride southbound across the intersection in the traffic lane, not the crosswalk.

## DRIVERS SHOULD STOP AT THE STOP BAR PRIOR TO THE GREEN BIKE BOX
