Request For On-Street Parking Permits

Permits for the block of: _____

(Example: 100 Block of Rio Grande Blvd SW)

Per City of Albuquerque Resolution F/S R-04-155 we request parking permits to read "Permit Parking Only" for our Block.

Each address (including legal in-laws and apartments) will receive on-street parking permits by going to the City of Albuquerque Parking Division at One Civic Plaza, Room 2090, and by utilizing our website to obtain your permits. You will be notified if and when the permit program begins. At that time, you will need to bring proof of residency (lease/utility bill, etc.) & government-issued ID & vehicle registration.

To sign this petition, the front of your property and address must be on the above street. Indicate if you are in support/not in support of on-street parking permits by selecting one of the boxes below. 67% of the block must request permits for them to be issued to the block. For Neighborhood Associations, 67% of the neighborhood must request permits for them to be issued to the neighborhood.
