Downtown Officers provided support at the UNM campus as they met with their cheer team for toy donations.

Sgt. Erica Lowry and Officers of the Downtown Unit did a “Community Outreach” along with students and staff with Siembra Leadership High School. This outreach was at Civic Plaza to conduct a one- on- one meeting to view, first hand, any questions students may have regarding the Albuquerque Police Department. This was effective as officers made contact with several students and successfully provided positive input.

Community Policing Council

Community Council Meeting for May

The Independent Monitor's Report (IMR 13) has been updated and you'll be hearing all about it. Chief Medina will also be there reporting APD's current changes and initiatives. There will be plenty of time to ask him questions; he is always willing to be asked on anything.

We are still doing Zoom/webinar meetings and here is the link to get an invitation: https://cabq.zoom.us/webinar/register/WN_7Z1iT-WbR9-9-s1dEYOjiA

Things might change in June; we are looking into having a live and in person meeting! It will be hybrid, so if anyone wants to stay in the comfort of their own home there will be webinar access too. Our first time is bound to have some glitches that will all improve as we go on. If you want to enjoy the glories of face-to-face contact, though, come on down to Johnny Tapia Community Center on June 23rd. More details will be forthcoming.

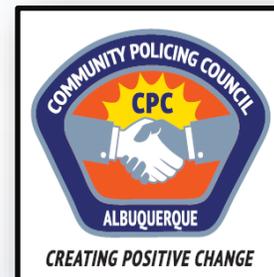

Our council needs fresh blood. No, we're not vampires, we're just hoping for new members. We have the basic requirement of attending monthly meetings, but there is much much more to be part of.

To get more info contact cpcvalley@gmail.com.

Enjoy the warmer weather, and don't forget to be at our meeting.

All the best,

Your Community Policing Council (CPC)

Siembra Leadership High School— Ed Café

Hello Community Partners!

It is that time of the year again where we will host our Virtual Ed Cafe to co-create projects. We are looking for Community Partners to pitch project ideas and also to be Thought Partners during this process. The event will be held on **Friday, May 6, 2022** from 8am-11am and will be hosted on Zoom. This Ed Cafe is to start off the creation of projects for August to December 2022.

We rely on the Community to be able to richen our Entrepreneurial and Social Justice focused curriculum and make it more authentic with real-world experience. If you think you might want to pitch a project idea but want more information on what that would look like, please let me know, I'm more than happy to meet with you to talk about it more.

Please register as a Project Pitcher or Thought Partner here: [https://forms.gle/](https://forms.gle/Mf2sNa2UrCEDdDFj6)
