This response is in reference to recommendation #18-09 Relocate APD Museum/ Area Command Foothills

Responsible SME: DC E. Armijo

Date received: 11/19/18

Date returned: 2/28/19

**RECOMMENDATION** (Recommendation/Reasoning must be 500 words or less for submission):

Relocate the APD Museum, it is extremely difficult for public access, yet has outstanding exhibits and information regarding the history of APD. Better access could significantly improve PR. The Nuclear Museum was moved out of Kirtland AFB for similar reasons.

**APD RESPONSE/REASONING:**

While this is a great idea, APD currently does not have additional space allocated for the APD Museum and funding is not available to create the space needed. We would like to reevaluate the concept in the future, as it would be ideal for the museum to have more access.
