Greetings Northwest, school is out for the summer! We are still are down in most violent and property crime categories for the year. The Department continues to take enforcement action toward specific crimes and quality of life issues. The two current projects involve cell phone use while driving and median occupancy enforcement. We have four intersections within the Command that have been posted thus far. Certain medians at Coors Bypass/ Ellison, Coors/Montano, Corrales Rd/ Alameda and Coors/Irving have been posted. Officers have the ability to criminally trespass and cite violators of the City Ordinance on these medians. This helps address, not only quality of life issues, but public safety issues. The goal is to reduce pedestrian fatalities on the streets of Albuquerque. The NW has also initiated an operation to address the loud party calls we tend to see as summer gets underway. We are looking to keep the peace in your neighborhoods and prevent the dangers that often occur as a result of these events from DWI to violent crimes. As always, I encourage everyone to participate in your neighborhood associations, business coalitions and well established entities like WSCONA and NWPCP. If you see any recurring crime or quality of life issues within the NW, please email me at dsaladin@cabq.gov and bring them to my attention.

**NORTHWEST AREA COMMAND WATCH I
LIEUTENANT JUAN CABRERA**

Dayshift been hitting the city wide cell phone tact plan hard. It definitely won't hurt to let the NW community know that we have kicked it off and we are looking hard. Please don't drive and use cell phone.

**NORTHWEST AREA COMMAND WATCH II
LIEUTENANT Andrew Quillmann**

Your swing shift officers continue working hard for the area command. Officers are seeing an uptick in calls involving loud parties at residential homes. If there is a loud party happening in your neighborhood and it gets unruly or goes beyond 10:00pm feel free to call 242-COPS and we will send officers to quiet it down. In the coming weeks, Northwest swing shift officers will continue to enforce traffic laws in the area command and will especially focus on distracted driving. Officers are also enforcing a new traffic median ordinance aimed at reducing the number of vehicle versus pedestrian crashes. Officers will be contacting individuals occupying certain traffic medians under 4 feet wide. After providing warnings to these individuals, officers will issue citations for violation of the ordinance. The Problem Response Team (PRT) continues its diligent work assisting neighborhoods and business districts by proactively addressing crime in the area. As always, please keep in mind how important it is to report crime and suspicious activity when you see it. This helps us track where we need to apply our resources.

**NORTHWEST AREA COMMAND WATCH III
LT. Larry Middleton**

Hello Northwest area command! School is out and the hot summer months are starting to show up. We continue to patrol the business areas within the Northwest at night. Officers have increased traffic enforcement at the larger intersections along Coors and Unser as well. We look forward to meeting most community members at upcoming coffee with a cop events. Please feel free to reach out if you have any issues we can assist you with.

Northwest Area Command Problem Response Team Corner

Over the past month, the Northwest Proactive Response Team (PRT) has focused on improving the quality of life for the citizens of the area. This quality of life improvement includes providing a sense of safety for the residents of our community. As sworn members of the community, our team feels a deep level of commitment to ensure that Northwest Albuquerque continues to thrive as the vibrant community we are, with no fear of crime.

The Summer Holiday's and School Breaks are a wonderful reason for celebration, and gatherings. Rest assured that our team is not taking a break. Although our team primarily focuses on being proactive to prevent organized crime and drug distribution, we will not be idle in the face of disturbances of the peace or other similar calls. NW PRT will respond to any call that may jeopardize the safety of our youth and our community.

Please reach out with concerns and if you see or hear something... please say something!
Our youth and community depend on all of us.
"Here to help!"

Vacation Home Safety Tips

While planning for your upcoming summer vacation, remember to include plans for the security of your home.

- Let someone know where you are going, the route you plan to take, when you plan to arrive and how to contact you. If you deviate from that plan, let someone know.
- Make sure your house appears “lived-in” when you are away. Lock all doors and windows, set household lights (inside and out) on timers.
- Leave a radio or television on so the house looks and sounds occupied.
- Tell a trusted neighbor you will be heading out of town and ask they keep an eye on your home.
- Have a neighbor pick up your mail and newspapers while you are away or have them held at the post office.
- Don't announce on any social web sites that you're going on vacation.

month.

Council Goals

The goal of each Community Policing Council is to engage in candid, detailed and meaningful dialogue between Albuquerque Police and the citizens they serve. Councils are independent from the City and Department. They are encouraged to formally recommend changes to Albuquerque Police Department policies and procedures. They are also asked to make recommendations and identify concerns, problems, successes and opportunities within each area command and for the department as a whole.

Council Membership

The NWCPC meets in person at the Don Newton Multi Generational Center or alternatively, meetings can be attended via zoom. The CPC members are made up of eleven volunteers. CPC members are composed of members from the community and voting members. Voting members must reside within or have businesses within the boundaries of their area command. All attendees (members) are encouraged to submit recommendations, provide input concerning recommendations, ask questions and submit topics for discussion.

Northwest Area Command Community Partnership and Outreach Corner

Community Partnership and Outreach:

APD'S COAST Outreach (Crisis Outreach and Support Team):

The COAST team continues to work with the West Side Homeless shelter, service providers and Field Officers to ensure that the homeless and most vulnerable are being offered shelter and resources. Service providers are continuing to do homeless outreach throughout the City.

Coffee with a Cop: at various restaurant locations:

Coffee with a Cop is an opportunity to interact with the officers assigned to their neighborhoods and ask questions, voice concerns, and get to know the police officers in your community.

Cop on the Corner: at various neighborhood locations.

The Albuquerque Police Department launched a new program called "Cop on the Corner" to help build relationships with the communities where officers patrol. The program will give people the opportunity to attend police field briefings where they can interact with the officers assigned to their neighborhoods. The day shift officers and swing shift officers hold briefings at various neighborhoods.

Business Coalition meetings:

We have three community business locations. The Westside area businesses, Riverside area businesses and the Cottonwood area businesses. We are working with the businesses to identify and reduce criminal activity. In the meetings we will identify the business stakeholders that will be involved, concerns on any type of criminal activity. We will talk about resources that can be used to deter and reduce criminal activity and provide crime prevention training, business security assessments and educate the businesses concerning property crimes.

Crime Prevention, Neighborhood Watch Program:

The NW Area Command has over 100 neighborhood watch programs and block captains. We have established an excellent rapport and understanding of the needs and concerns of the neighborhoods and block captains within their respected neighborhoods. The block captain/officer initiative program strengthens the ties between the officers, and the community.

ADAPT Program (Abandoned & Dilapidated Abatement Property Team):

The program identifies and addresses abandoned and/or dilapidated properties that become public nuisance because they have a pattern of calls for service, serious criminal activity or because they pose a public safety threat. The goal is to work with property owners to increase the health, safety, and welfare of the buildings and the community. Through community policing we will reduce crime and increase quality of life in the area.

COMMUNITY OUTREACH

APD'S COAST (Crisis Outreach and Support Team) is continuing to work with the West Side Homeless shelter , service providers and Field Officers to ensure that the homeless and most vulnerable are being offered shelter and resources. Along with this collaboration , we are stressing the importance of education for this population due to limited access or knowledge to some of the safety measures. Masks , hygiene, water and food are being provided on a daily basis to those that are not wanting to go to the shelters. Service providers are continuing to do homeless outreach throughout the City. The Westside Emergency Housing Center is continuing to remain open 24 hours, 7 days a week and will accommodate as many people as possible. The City opened up hotels to assist with shelter numbers, this is helping keep the most vulnerable and families safe and provide social distance. The staff at the shelter has been working hard to keep everyone safe.
